INSTITUTE OF QUALIFIED RISK MANAGERS

CERTIFICATE OF COMPLETION

This is to certify that

Ralph Cloete

has completed the

QRM Specialist Training

A practitioner programme in project risk management: the risk statement and the register, the risk management plan, and the facilitation and reporting of risk workshops. Delivered live over six hours, and assessed on the deliverables produced.

PART ONE

THE RISK REGISTER

A populated register in cause, event and consequence form, with probability and impact scales anchored to real project figures.

PART TWO

THE RISK MANAGEMENT PLAN

An eight section plan carrying response strategies, SMART response actions with named owners, and escalation thresholds.

PART THREE

THE WORKSHOP AND THE REPORT

A facilitation pack in three phases, and a one page status report that reports movement rather than rank.
